Re: Docket W-01445A-05-0389

Dear Chairman Hatch-Miller and Commissioners:

In 2005, my company, Vail and Kleck, L.L.C. purchased from Clayton McKnight the real property designated as Parcel Three in Decision No. 68442 in the above-captioned matter (Mr. McKnight's development company for this parcel was known as Vail 160, L.L.C.).

I have become aware that Arizona Water Company has filed a request to extend the time for complying with certain conditions contained in the Decision concerning a certificate of approval to construct, a certificate of assured water supply, and a main extension agreement.

As my company is still evaluating its development plans for our property, it would be detrimental to my company not to have the assurance that there is a certificated water provider to provide water service to our development. I support Arizona Water Company's request for additional time, and my company still desires to receive water service from Arizona Water Company.

Very truly yours,

Vail and Kleck, L.L.C.
